

**Zeeshan Ahmad**  
Software Engineering Undergraduate

Creative and driven undergraduate with expertise in C++, Java, Web and React. Seeking software engineering internship to enhance skills and contribute to innovation.

---

**Personal Information**

---

**Date of birth:** July 25th, 2003

**Address:** Ahmed Park opposite Hussain Sugar Mills Colony Gate, Jaranwala.

**Contact:** +92-301-1683998

**Email:** xeeshanahmad348@gmail.com

**GitHub:** github.com/XeeshanAhmed

---

**Objective**

---

Seeking software engineering internship to apply technical skills in C++, Java and Web, contribute to innovative projects, and gain valuable hands-on experience.

---

**Qualification**

---

Degree	Institute	Marks
Bachelors Software Engineering (2022-Present)	National University of Computer and Emerging Sciences, Lahore. (FAST)	GPA: 3.35/4.00
ICS (2019-2021)	Punjab Group of Colleges, Jaranwala.	1077/1100

---

**Technical Skills**

---

**Object Oriented Programming:** C++, Java

**Data Structures:** C++

**Database:** SQL, MYSQL

**Web development:** Html, CSS, JavaScript, TypeScript, React JS, Next JS, PHP

**Version control:** Git/GitHub

**UI/UX:** Figma

---

**Projects**

---

**1- Library Management System** (Programming Fundamentals)

- Developed a library management system in C++ with features including book borrowing automation and user authentication.

**2- Banking Application** (Object Oriented Programming)

- Designed and developed a banking application in C++ with user and admin roles, enabling admins to approve loan applications, block accounts, and open new accounts, while users can perform regular banking operations.

**3- FAST Park** (Html, CSS, JavaScript, PHP, MySql)

- Developed a FAST University parking website enabling users to register and add vehicle details for efficient parking management.

#### **4- Weather App (Java)**

- Developed a comprehensive weather application using Java and graphical UI (GUI) using Java FX. Integrated third-party APIs to fetch real-time weather data.
